**WE believe** a successful athletic program establishes a winning atmosphere, enables students to participate at their highest level of ability, and fosters self-esteem, self-discipline, self-confidence, and team spirit. Such a program also emphasizes abiding by the rules of play.

**WE believe** it is the district's responsibility to provide the athletic program with the necessary facilities, equipment, personnel, and support.

**WE,** the athletic staff of the Texas City Independent School District, are committed to doing whatever is necessary to accomplish this mission.

# TEXAS CITY INDEPENDENT SCHOOL DISTRICT

## Athletic Department

### Philosophy

*We believe that an exemplary athletic program is an extension of the classroom. As such, athletics offers students the opportunity to develop and grow physically, intellectually, emotionally, and socially. Positive benefits of athletic participation include, but are not limited to, self-esteem, self-discipline, self-confidence, and the development of team spirit. Further, participants learn the values associated with competition and benefit from the experience of both winning and losing. For the participating athlete, these experiences provide an integral part of the foundation needed to be a productive citizen capable of leading a full and enriched life.*

### Introduction:

The information in this handbook is in compliance with Texas City Independent School Board policies and procedures. This handbook supersedes all prior publications governing TCISD athletic teams and shall be used by all personnel and participants in grades 7-12. The guidelines, rules, and regulations set forth in this handbook are designed to provide for the efficient operation of a quality athletic program. All stakeholders will be held accountable and responsible for the information, policies, and procedures contained in this publication.

*This handbook was printed under the current laws, policies, guidelines, and regulations that govern TCISD and Athletics. Athletes and parents will be notified by the Athletic Director and/or campus administrative offices of any changes made outside of the control of the Athletic Department.*

### Participation

It is the goal of this athletic program to offer the opportunity of participation to every student who has the ability and desire to do so. However, no student is obligated to take part in athletics nor is participation in athletics required. It is to be stressed that participation in the Texas City ISD Athletic Program is a privilege, not a right. Since it is a privilege, the coaching staff, in accordance with TCISD policy and due process procedures, has the authority to suspend or revoke the privilege when the rules and standards of this athletic program are not followed. Participation in multiple sports is encouraged; however, you will still be required to attend practices and games as arranged by the coaches of the individual sports. The coaches will agree upon a decision based on the best interest of the programs and the athlete.

In addition, if under a doctor's care the athletic trainer will need medical documentation of injury/care.
- If the trainer is unavailable during the school day, the injured/ill athlete will be sent to the school nurse of that campus for treatment/evaluation.

**Athletic Passes: Due to UIL Guidelines and limited seating there will be NO passes 2020-21 school year.**

TCISD student-athletes will be issued an athletic pass (sticker) while participating in sports that charge admission to home contests. Guidelines for its use include:

- Pass will be issued only after the student athlete has been placed on a team roster for a sport during that semester or. The athlete must have a cleared physical & EKG, paid his/her membership fee, filled out all information and has parent's signatures on all required documents, and is in good standing with his/her program.
- Pass will be placed on the face of the current school I.D. so as not to obstruct student photo, name, or school year.
- Pass will be used only by the individual to whom it is issued. Free admission is allowed only when the student I.D. with sticker attached is presented.
- Use of the pass may be revoked if an unauthorized individual has possession of the sticker and/or I.D. or the user displays inappropriate behavior at an athletic contest.
- Passes are good for regular season home contests only and only for the semester in which the student is participating.
- Passes are revoked if the athlete quits or is taken out of the sport or becomes ineligible.
- If a pass is lost or destroyed, there will be a \$5.00 fee to get a one-time replacement.

**Quitting a Sport:**

There may be times when an athlete decides it is necessary to quit a sport or drop out for personal reasons. If a student decides to follow through with this decision, the following procedures shall take place.

- Think the whole situation through before making a final decision. Consult teammates, friends, and parents for advice and guidance.
- Consult your respective coach. A conference may be recommended/required involving the stakeholders in the decision.
- Return all school issued equipment.
- If an athlete wants to return to the sport, he/she must get the approval of the respective coach. The decision to return will be left to the discretion of the coach and the Athletic Director.
- ***If an athlete decides to quit a sport that is in-season and join another, he/she must receive permission from the coach of the sport he/she is quitting in order to join the other sport. If the coach does not give the athlete permission, then the athlete must wait until the first sport is completed before joining the new sport.***

### School Issued Athletic Equipment:

TCISD Athletic Department will provide a majority of the equipment needed by student athletes. This equipment will be checked out at the beginning of the competitive season and checked in at the conclusion of competition. It is important that athletes take care of their equipment during their participation. Athletes should:

- Make sure equipment is properly fitted and in good condition. See your respective coach for instructions and help.
- Wash all clothing items as prescribed by your coach. Athletic issued lockers are to be kept clean and neat.
- Do not remove school issued equipment from dressing areas. Athletic equipment is not to be worn home or out in the community without permission from the coaching staff.
- At the conclusion of an athletic competition, equipment will be checked in and athletes are responsible for any and all lost equipment.
- All equipment will be turned in before an athlete is released from that sport. If the equipment is not turned in, then disciplinary action will be administered to the athlete.

### Absence from a Workout/Contest:

Practice time and game competition is important for continued success in athletic endeavors. It is important that student-athletes attend all practices and contests. There may be extenuating circumstances that cause an athlete to miss one of these opportunities. If you are going to be absent from a workout/game, you have the responsibility to:

- ***High School - Notify the Head Coach/Position Coach informing him/her as to the reason for the absence. The coach should provide you with a contact number. This pertains to students that do not come to school or leave prior to the end of the school day.***
- ***To notify Junior High coaches, please call:***
  - Blocker – Boys - 409-916-0791***
  - Blocker – Girls - 409-916-0758***
  - LMJH – 409-938-4286***

As with academic classes, there will be some makeup work that the student has to fulfill. The respective coach will determine the amount of make-up work that the student has to complete. Failing to call in and report the absence will result in additional work. Continual absenteeism can result in suspension and dismissal from the athletic team.

- ***\*\*\* All athletes will be in attendance for at least half of a school day on the day of competition or have an approval signed by the principal excusing the absence in order to be eligible to play in a competition. \*\*\****

## Texas City ISD Athletic Discipline Management Program

Student discipline is an important and integral part of the total athletic program in TCISD. Disciplined, well-coached teams win championships. It is imperative that our athletes work hard and act according to appropriate standards of sportsmanship and behavior. The discipline management program is designed to set high and consistent standards and expectations for all extracurricular activities and participants. Failure to comply with the standards could result in suspension or removal from the program. Our discipline program will continue until the athlete completes the respective program. The completion of a program is defined when the athlete is completely checked out of the sport, all equipment is turned in and all disciplinary actions are resolved.

The key to an effective discipline program is the consistency of expectations, consequences, and enforcement. It is our goal to strive for consistency and fairness, and for all stakeholders to understand and support the program in order for it to be successful.

### **Procedures:**

- Intervention should occur by the supervising coach or coach who observes the misbehavior.
- Actions will be documented by the coach and copies forwarded to the Athletic Director.
- Contact will be made with parents/guardians to inform and solicit information and intervention if necessary.
- Appropriate school administration will be informed as dictated by action or policy.

### **Discipline Options:**

- Verbal reprimand/Warning/Make-ups for Missing
- Conference with the student
- Parent/Coach Conference
- Parent/Coach/Athletic Director Conference
- Physical Conditioning Drills/Make-ups for missing (Sports specific)
- Probation
- Suspension from competition (1-3 contests)
- Removal from sport he/she is participating in
- Removal from the athletic program (all athletic activities)

### **Athletic Appeals Process:**

The student and/or parent shall have the right to appeal any decision concerning the enforcement of the discipline program concerning probation, suspension, or expulsion. The steps in the appeal process are:

- Contact the Appropriate Coach / Staff Member: The first step in resolving a concern is to discuss it with the Coach/staff member involved. More than 95% of all concerns are resolved at this level.
  
- Contact the Athletic Director Office: Only after step one does not resolve the concern, contact the Athletic Directors office to set up a meeting with the Athletic Director, Assistant Athletic Director, Campus Coordinator and/or Women's Coordinator of that campus. He or she is in charge of the campus or department and the handling of concerns regarding operations and will explain policies, guidelines, and procedures.
  
- Contact the Appropriate Central Administrator: If the previous steps have been unsuccessful, contact the appropriate central administrator. This may be the Assistant Superintendent for Secondary Education, the Assistant Superintendent for Support Services, or the Superintendent.

***Appeals must be submitted in writing within ten (10) business days after receipt of written notification of probation, suspension, or expulsion.***
